

**Complete wood drawer with slides for the K Cup organization**

## Application

- Designed for 18" wide cabinets with an opening of 15"
- For kitchen base cabinets drawers.

## Advantages

- 2 tiered wood drawer, the top one slides to give access to the bottom tier.
- The top tier can hold up to 40 K-Cups.
- The bottom tier have 7 compartments for sugar, spoons, creamer and more.
- Offered with or without BLUMOTION undermount soft-close slides.
- Recessed top tray slides for sleeker design and added storage space.
- Just add your own drawer front to harmonize with your other drawers style.

## Description

Finally a solution to store your K-Cups and to create a custom beverage station.

As it is a complete drawer, the installation is very easy and you just have to add the drawer front to keep an harmonized style with your other drawers.
