

Recycling Center Euro-Cargo II : 400mm

Euro-Cargo II # 8461440100 is conceived for a 400mm cabinet width. Equipped with over travel ball bearing slides, this heavy duty system is also equipped with a soft-close mechanism.

Advantages

- Include 1 bin of 38L and another one of 12L including a lid. Ideal for compost.
- Reversible, you can place the small bin at the front or the back depending of your needs.
- The over travel ball bearing slides gives you a total access to the bins.
- Tested with 75kg (165 lbs) of weight on 50 000 cycles and 50KG (110 lbs) on 100 000 cycles, so a trouble free system.
- The soft-close mechanism assure you of a silent and smooth closing.
- Integrated metal lid that can be aslo used as a storage shelf..
- Reversible fram allowing to switch small bin from front to back and vice versa.
- The door brackets (included) allows adjustments in all directions.
- Suitable for cabinets with 16mm or 19mm side gables.
